

Cornbread (TriEclipse Publishing, Inc.) and **Communities in Schools (CIS)** have partnered to bring a high-energy, literacy presentation entitled *Rhythmic Reading with Rap*, along with an author visit and books to at-risk students at the various after-school Team Up sites. This effort will increase the probability that struggling readers will develop a passion for reading as well as better prepare them for the FCAT assessment. Join us in providing this service to our wonderful students. *Your sponsorship will be tax deductible.*
