Vincent Taylor Brings Cornbread to Life for Area Youth

TriEclipse Publishing entrepreneur Vincent Taylor teamed with local philanthropists in the community to bring an exciting free evening of fun to over 100 local youth. Dubbed "Cornbread's Skate Jam" after the star of the Cornbread children's book series, the three hour fun and informative session included skating and educational games. It was held at the Skate Station in Orange Park. Shown above at the event are Sen. Tony Hill (yellow shirt) with Cornbread author Vincent Taylor to his right surrounded by many of the kids attending. Each participating youth received a t-shirt, book and refreshments.
